**ENIGMA BOOKS SERIES AUTHORS, ROX BURKEY AND CHARLES BREAKFIELD  
HAVE ROMANCE IN MIND IN KINDLE BOOKS**

**Two Novels Touch on Romantic Interludes and Much More**

Authors, Rox Burkey and Charles Breakfield, whose books, *The Enigma Series* has garnered multiple awards from Audio Book Reviewer on [www.audiobookreviewer.com](http://www.audiobookreviewer.com), also have books on Kindle offering a focus on romance and relationships.

*The Jewel* is the story of deeply enamored Haddy and Otto, who recently discovers that Haddy can no longer have more children. Even though Haddy adores her daughter, the slope of depression is evident in their relationship. Otto, who refuses to lose the love of his life, coaxes her to celebrate her birthday for the first time in four years only to be confronted by thieves after their joyous celebration. What turn will their lives take now? To find this on Kindle, go to [www.amazon.com/Jewel-Charles-Breakfield-ebook/dp/B08HY8BTBK/](http://www.amazon.com/Jewel-Charles-Breakfield-ebook/dp/B08HY8BTBK/).

In *Love's Enigma* Kindle Edition, readers will find characters Zara and Buzz, who are hopelessly in love and desperately fearful. Coming from different vastly background, their chance meeting ignites immediate attraction. Together the two decide to explore their future together and start fresh while leaving their demons' behind. Can they leave the past in the past, or is this too shaky a start to stay committed? This is available at [www.amazon.com/Loves-Enigma-Charles-Breakfield-ebook/dp/B08BKR6789/](http://www.amazon.com/Loves-Enigma-Charles-Breakfield-ebook/dp/B08BKR6789/).

The authors also recently successfully funded their Kickstarter Event with support from their fans and raised funds for their book, *The Enigma Threat, Book 12*, a TechnoThriller eBook, paperback, and audiobook. The book was released on January 8, 2021.

With this Kickstarter Community support, the authors hope to achieve best seller status, gain additional awards, and fund a screenplay to make a film.

The team is also known for their award-winning tales.

*The Enigma Source*, the authors' 10th book received the Dan Poynter Global Legacy Award in four categories in August 2019. The books have also been recognized by the Texas Association of Authors, and Colorado Independent Publishers Association among other publications and organizations.

Based in Dallas, Texas, these co-writers have published 11 tech-thrillers in their Enigma series Their books are available in print and audio formats on Audible, iTunes, and Amazon.

Love's Enigma Kindle Edition: Hopelessly in love and desperately fearful!

Zara and Buzz are products of vastly different upbringings. Their chance meeting ignites attraction they must explore. Even with lies and omissions, they find themselves falling in love. For them it's a good thing that love is blind.

A defining incident offers the opportunity to explore a future together. They move away from everything for a fresh start. They optimize their experiences to build a life they never imagined in the Caribbean. Then their demons' surface.

Zara distrusts love because of her past. She's afraid to commit anyone. Buzz wants love, better than what he'd lost.

Will Zara slip through his fingers? Can they honestly bury their past? And, if those secrets are shared, will their love be destroyed?
