Quick Summary

Enigma Heirs, new leadership of the R-Group and CATS, team together to stop an environmental gangster at the request of a friend. It becomes personal when people you know are at risk of captivity or death. Bailey, Gracie's college roommate and close friend asks for help in their sleuthing efforts to bring to justice Pliant Industries. Cover stories are built, coincidences are engineered, and female charm is leveraged to get Gracie and Bailey into Pliant's inner circle. The problem quickly becomes how to get the needed evidence and get away from this killer.
